Additional Health Certificate Information

- Please check the USDA APHIS Website (<https://www.aphis.usda.gov/aphis/pet-travel>) for the most up to date travel requirements for your pet's international travel.
- If your pet is a current Tyndall AFB patient please inform our staff so we can ensure we have the most up to date records for your pet.
- If your pet was recently treated at civilian veterinary treatment facility it is your responsibility to have those records e-mailed or faxed to our clinic at least 7 days prior to your pet's health certificate appointment.
- You will need to maintain two copies of your pet's Rabies Certificate. (An original copy signed in blue ink by the administering veterinarian an additional photocopy for travel.)
- You will need to maintain two copies of your pet's FAVN results. (If it is required by the country you are traveling to.)
- It is advised but not required to maintain a copy of your pet's full vaccination and medical history. (To include any lifestyle vaccinations, microchip implantation, and surgical interventions.)

THIS FORM NEEDS TO BE COMPLETED AND RETURNED TO THE TYNDALL AFB VTF AT LEAST 7 DAYS PRIOR TO YOUR PET'S HEALTH CERTIFICATE APPOINTMENT. FAILURE TO DO SO MAY RESULT IN THE CANCELLATION OF YOUR PET'S APPOINTMENT.
